26. Woodward Quotes Change Opinion of Trump

A new book by journalist Bob Woodward reports that while Trump was telling Americans in February that coronavirus was no worse than a seasonal flu, he told Woodward that it was "deadly stuff" — "more deadly than even your strenuous flu" — while admitting that his goal was "to play it down."   Does this information change your opinion of how well Trump has handled the coronavirus?

72. Safety of Election Day Vaccine

[Previously, the fastest vaccine took four years to develop.] If a COVID-19 vaccine were released before Election Day, do you think it would be safe?

Respondents were randomly divided into two groups. The question wording for one group included the sentence, "Previously, the fastest vaccine took four years to develop.". The other group was not shown that sentence.
