27. Biden Documents

As you may know, lawyers for President Biden recently alerted the National Archives that they had found a small number of classified documents in an office Biden used after serving as vice president and at his Delaware home. How does this compare to Donald Trump's recent clash with federal authorities over returning classified documents?

41. Favor Biden Immigration Parole System

To try to give asylum seekers an incentive to apply for legal immigration from their home countries, President Biden announced last week that up to 30,000 asylum seekers a month from four nations — Venezuela, Cuba, Nicaragua and Haiti — could be granted "parole" to live and work in the United States for two years, provided they enter the country through a legitimate port of entry and pass rigorous vetting. Do you favor or oppose this policy?
