## YouGov

## 1. Agree with the following statements:

Samoan airlines was recently in the news for their new policy which charges passengers according to their weight and the weight of their baggage... Please indicate how much you agree or disagree with the following statements: (A) Aircraft passengers should be charged according to their combined body weight and the weight of their bags.; (B) Aircraft passengers should be required to buy a second seat if they cannot fit into a single seat with the arm-rest lowered.

|  | Total | Age |  |  | Race |  |  | Gender |  | Family Income |  |  |  |
