YouGov Survey: Changes During Biden Presidency

| | |
|-------------------------------|--|
| Interviewing Dates | August 30 - September 2, 2024 September 3 - 5, 2024 |
| Target population | U.S. citizens, aged 18 and over. |
| Sampling method | Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens. |
| Weighting | The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.051 to 6.558, with a mean of one and a standard deviation of 0.84. |
| Number of respondents | 2216 |
| Margin of error | ± 2.7% (adjusted for weighting) |
| Survey mode | Web-based interviews |
| Questions not reported | 49 questions not reported. |

YouGov Survey: Changes During Biden Presidency

August 30 - September 5, 2024 - 2216 U.S. adult citizens

| | |
|-------------------------------|--|
| Interviewing Dates | August 30 - September 2, 2024 September 3 - 5, 2024 |
| Target population | U.S. citizens, aged 18 and over. |
| Sampling method | Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens. |
| Weighting | The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.051 to 6.558, with a mean of one and a standard deviation of 0.84. |
| Number of respondents | 2216 |
| Margin of error | ± 2.7% (adjusted for weighting) |
| Survey mode | Web-based interviews |
| Questions not reported | 49 questions not reported. |
