None of the above	2%
Not sure	28%

Interviewing Dates	July 31 - August 4, 2024 | August 6 - 9, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.052 to 6.631, with a mean of one and a standard deviation of 0.835.
Number of respondents	2232
Margin of error	± 2.7% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	43 questions not reported.

YouGov Survey: Crime and Criminal Justice
July 31 - August 9, 2024 - 2232 U.S. adult citizens

Interviewing Dates	July 31 - August 4, 2024 | August 6 - 9, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.052 to 6.631, with a mean of one and a standard deviation of 0.835.
Number of respondents	2232
Margin of error	$\pm$ 2.7% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	43 questions not reported.
