continued from previous page

Directing the federal government to work with industry to build 3 million new homes in the next four years	27%	26%	14%	13%	21%
Providing a tax credit for developers building homes sold to first-time homebuyers	24%	34%	13%	9%	21%

Interviewing Dates	August 16 - 19, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.051 to 6.054, with a mean of one and a standard deviation of 0.764.
Number of respondents	1143
Margin of error	± 3.7% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	83 questions not reported.

YouGov Survey: Harris Economic Policy Agenda

August 16 - 19, 2024 - 1143 U.S. adult citizens

Interviewing Dates	August 16 - 19, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.051 to 6.054, with a mean of one and a standard deviation of 0.764.
Number of respondents	1143
Margin of error	± 3.7% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	83 questions not reported.
