

## Voters Mind Made Up Tracker (Pre-2024 GE)

*Thinking about the coming general election, have you already decided whether you will vote and for who?*

		I've definitely made up my mind if and how I'll vote and will not change my mind	I've probably decided if and how I'll vote and am unlikely to change my mind	I have a good idea if and how I'll vote, but it is possible I will change my mind	It's as likely as not that I'll change my mind on whether I'll vote or who I'll vote for	Don't know	N/A - I've already voted by post
