Pennsylvania Statewide Poll

1. Interest in Politics

Some people seem to follow what's going on in government and public affairs most of the time, whether there's an election going on or not. Others aren't that interested. Would you say you follow what's going on in government and public affairs ... ?

	Gender			Age				Income			Race

Pennsylvania Statewide Poll

Fieldwork	YouGov
Interviewing Dates	October 25–28, 2010
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's PollingPoint panel using sample matching. A random sample (stratified by age, gender, race, education, and region) was selected from the 2005–2007 American Community Study. Voter registration, turnout, religion, news interest, minor party identification, and non-placement on an ideology scale, were imputed from the 2008 Current Population Survey Registration and Voting Supplement and the Pew Religion in American Life Survey. Matching respondents were selected from the PollingPoint panel, an opt-in Internet panel.
Weighting	The sample was weighted using propensity scores based on age, gender, race, education, news interest, voter registration, and non-placement on an ideology scale. The weights range from 0.1 to 6.8, with a mean of one and a standard deviation of 0.8.
Number of respondents	1000 (779 Likely Voters)
Margin of error (Registered Voters)	± 4% (adjusted for weighting)
Margin of error (Likely Voters)	± 4.5% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	4
