For the following questions, by "media" we mean Newspapers, Magazines, TV, Radio, Websites, Blogs and Social media.
You may recall a news story originating from the UK in July earlier this year which was about phone-hacking allegations and the media.
How, if at all, have the recent phone-hacking revelations affected your trust in both the UK media as a whole, and specifically in the UK's newspapers? (Please tick one option on each row.
If you were unaware of this news story, please select the "Don't know" option)
