The amount of money each country in the European Union pays towards the EU budget is based upon each country's economy. The British economy has performed better than most other European countries in recent years, and the European Union has now said that Britain should pay an extra £1.7 billion in contributions to reflect our healthier economy.

Which of the following best reflects your view?

David Cameron should pay the extra money to the EU - if our economy is better, it's only fair we contribute more	9	3	16	13	0	1	14	13	11	7	8	10	10	8	11	6	15	8	8	6	14
David Cameron should try to get the European Union to drop the demand, but if he cannot we should pay - we need to play by the rules	25	25	32	51	7	19	30	34	28	23	30	21	26	26	26	24	22	24	28	23	35
David Cameron should try to get the European Union to drop the demand, and if he cannot we should simply refuse to pay - we cannot afford this money	54	69	41	31	91	74	43	46	53	55	43	48	55	63	54	55	52	59	52	58	37
