<p>For the following questions, by “Citizens' Assembly”, we mean a group of people, selected to be representative of the UK population, who are brought together to discuss an issue, hear evidence and reach an informed conclusion about what they think should happen.</p> <p>Which of the following would you trust more to make policy recommendations that would be in your best interest?</p>

Currently, UK parliament has two chambers, the House of Commons (1st chamber) and the House of Lords (2nd chamber). The House of Lords is made up of hereditary peers (those who inherit a seat in the House of Lords), bishops, and other 'life peers' chosen by Prime Ministers to have a seat in the Lords until they die. The Lords have the power to delay and suggest amendments to legislation passed by MPs in the House of Commons.

In which of the following ways, if any, would you most like to see the House of Lords reformed?

Replacing the house of Lords with an elected chamber	18	18	16	23	21	24	15	22	15	17	18	19	19	21	14	18	16	25	15	20	23	16
