The European elections are held under a proportional voting system which gives smaller parties a better chance of winning seats than in general elections.

If there were an election to the European Parliament held tomorrow, which party would you vote for?

[Excludes Don't knows and Wouldn't votes]

Thinking about when you first left full-time education, how many jobs did you have to apply for before you were offered a role?

*[Only to people in work]*

None - I went straight into a job or got the first job I

applied to	<b>24</b>	26	23	35	24	0	0	0	38	21	15	23
