Legal Aid is where the state helps to pay the fees for legal advice and representation for people on low incomes. From this month changes are being made to the types of legal action where people can claim legal aid.

Below are a list of types of legal action, some of which are eligible for legal aid, some of which are not. In each case please say whether you think people on low incomes should or should not be eligible to claim legal aid.

Divorce

People should be able to claim legal aid to pay for legal advice/representation for this

People should not be able to claim legal aid to pay for legal advice/representation for this

Not sure
