It has been revealed that the American National Security Agency (NSA) had been collecting and keeping information about some phone calls in the US and abroad. This information does NOT include the content of the phone call itself, but it does reveal who is calling who, when the phone call happened and how long it lasted.

Do you think it is right or wrong for the NSA to access information about phone calls in this way?

Right	37	26
Wrong	40	57
