Do you agree or disagree with the following statements?

The benefits system is a good thing, but too many people who don't really need help take advantage of it

|                       |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |

Most people who use the benefits system genuinely need help and it is unfair they are accused of being scroungers

Since 2005 same-sex couples have been able to enter into civil partnerships. While civil partnerships offer the same legal rights as marriage, same-sex couples are not able to marry.

**Would you support or oppose changing the law to allow same-sex couples to marry?**
