Thinking about the amount of freedom schools are given to govern themselves, and the amount of control local and central government have over them, do you think...

Local and central government have too much control over schools, and schools should have more freedom to make their own decisions	19	20	19	27	20	20	18	21	19	20	20	25	17	17	20	18	18	20	19	19	17

Thinking about the recent situation in schools in Birmingham, do you believe there was or was not a deliberate plot by Muslim groups to take over some state schools?

There was probably an organised plot by Muslim groups to take over schools in Birmingham and install a Muslim ethos	44	55	38	26	74	59	40	33	48	40	28	35	47	56	43	46	49	43	42	48	37

And in practical terms, do you think there are such things are particularly "British values"?

Yes, there are distinct British values that schools can uphold and teach to pupils

No, in reality British values are much the same as other countries and aren't something that can be specifically defined or taught
