Some people have called for schools to move back to more traditional teaching methods. Thinking about this which of the following best reflects your view?

It is right to move to more traditional teaching, it is important that schools give children the basic knowledge on things like the Kings and Queens of Britain, reciting poetry and memorising times tables

Some people have called for schools to move back to more traditional teaching methods. Thinking about this which of the following best reflects your view?

It is right to move to more traditional teaching, it is important that schools give children the basic knowledge on things like the Kings and Queens of Britain, reciting poetry and memorising times tables	43	41	44	49	39	0	38	44
