Next week is the state opening of Parliament and the Queen's Speech, when the Queen reads out a speech setting out the policies that the government will introduce in the year ahead. Do you think the Queen should or should not continue to read out this speech each year?

Should - the Queen's Speech is an important tradition that should be continued	62	86	55	64	70	79	59	59	60	64	49	55	64	71	64	59	65	64	61	61	54
Should not - it is not really appropriate for the Queen to read out a speech about the government's plans	23	8	32	19	22	13	30	25	26	21	22	23	24	23	23	24	17	19	25	29	28
