The government's account of 9/11 states that 19 hijackers under the direction of Osama bin Laden, and without the support or foreknowledge of any government, hijacked four planes and crashed them into a field in Pennsylvania, the Pentagon and the Twin Towers, which then caused the Twin Towers to collapse. Some people are not satisfied with this account and believe it may be a cover-up of what actually happened that day. Other people are satisfied with this account and believe it is an accurate representation of the events that happened on September 11, 2001.
