The Welsh Assembly Government has announced in its draft budget that spending on the NHS will drop in real terms over the next three years, arguing that raising NHS spending in line with inflation would force it to make deeper cuts in other areas, including schools. The Conservative opposition argue that the NHS should be protected from cuts, even if this means much deeper cuts in other areas, including schools.

Which of the following BEST reflects your view?

The NHS should face some cuts if this is the only way to protect other departments from much bigger cuts	37	50	37	32	47	43	32	36	33	41	41	34	37	36	33	39	41
