The Government has announced plans stating that school league tables will only reflect the proportion of students who achieve GCSEs in core subjects like science, maths, english, history and geography. The government said this is aimed at discouraging schools from pushing students towards "easier" subjects to improve their league table position

Below are a list of common subjects studied at GCSE. Please tick ALL those you think should count towards school's league table positions.

Maths	86	92	85	87	91	86	85	85	86	78	84	86	91	88	84	84	84	86	91	85
