Britain and France have signed a new treaty on defence co-operation. Under the treaty Britain and France will share aircraft carriers and nuclear testing facilities, set up a combined joint expeditionary force and refuel each others planes. Do you think this is a good or bad idea?

A good idea - closer co-operation will improve security and save money for both Britain and France	48	61	47	58	51	46	60	51	44	46	53	43	51	49	50	43	51
A bad idea - relying on France would leave Britain vulnerable in areas where we have different interests	40	34	44	36	43	38	24	38	42	48	38	43	36	39	40	45	38
