

Sample 1000 U.S. Adult Citizens  
 Conducted January 23 - 26, 2023  
 Margin of Error ±3.4%

## 1. How well do you feel you understand what it means for someone to identify as transgender?

Extremely well	20%
Very well	28%
Moderately well	33%
Not too well	11%
Not at all	9%

## 2. Which of the following statements comes closer to your feelings?

Our society has gone too far in accepting people who are transgender	33%
Our society has been about right when it comes to accepting people who are transgender	22%
Our society has not gone far enough in accepting people who are transgender	30%
Not sure	16%

## 3. Some people say their gender identity does not match the sex that they were assigned at birth. Do you think this is the result of... ?

Biological factors	15%
Social factors	29%
A mix of both	35%
Not sure	21%

## 4. Which of these do you think contributes more when people say their gender identity does not match the sex that they were assigned at birth?

*Asked of people who say it is a mix of both or are not sure*

Biological factors	20%
Social factors	19%
Both equally	28%
Not sure	33%

## 5. Do you think that people feeling as if they are a different gender than the one they were assigned at birth is... ?

A relatively new phenomenon	29%
Something that has occurred in various cultures and time periods	52%
Not sure	20%

## 6. Do you personally know someone who identifies as transgender? Select all that apply.

Yes, me	3%
Yes, a family member	10%
Yes, a close friend	10%
Yes, an acquaintance	27%
No	54%
Prefer not to say	3%

7. To your knowledge, do any of the students at your children's schools identify as transgender?

*Asked of parents of children in K-12 school*

Yes .....	24%
No .....	49%
Not sure .....	27%

8. When you were attending K-12 school, did any of the children you went to school with identify as transgender at the time?

Yes .....	9%
No .....	77%
Not sure .....	14%

9. How much discrimination do you think there is against people who are transgender in the United States today?

A lot .....	46%
A little .....	31%
None .....	10%
Not sure .....	14%

10. Which comes closer to your view regarding the privacy rights of children?

Children should have a right to privacy from their parents in some circumstances .....	41%
Children should not have a right to privacy from their parents .....	43%
Not sure .....	15%

11. In general, how supportive or unsupportive do you think parents are in their responses to children who identify as transgender?

Very supportive .....	9%
Somewhat supportive .....	30%
Somewhat unsupportive .....	21%
Very unsupportive .....	9%
Not sure .....	32%

12. In general, how supportive or unsupportive do you think public schools are in their responses to children who identify as transgender?

Very supportive .....	15%
Somewhat supportive .....	27%
Somewhat unsupportive .....	21%
Very unsupportive .....	12%
Not sure .....	25%

13. If you had a child who told you they were transgender, would you be... ?

Very supportive .....	32%
Somewhat supportive .....	19%
Somewhat unsupportive .....	11%
Very unsupportive .....	17%
Not sure .....	21%

14. How often do you think that children who identify as transgender experience the following?

	Very often	Somewhat often	Not very often	Never	Not sure
Bullying from other children	45%	28%	9%	4%	14%
Disapproval from their parents	26%	42%	12%	3%	17%
Disapproval from their teachers	21%	29%	19%	7%	23%
Depression and anxiety	51%	24%	6%	5%	14%
Verbal harassment	44%	29%	10%	4%	14%
Physical abuse	26%	29%	18%	6%	22%
Social isolation	39%	30%	11%	4%	15%

15. In cases where a student comes out to a teacher as transgender, but feels unsafe telling their parents, do you think teachers should be required by law to... ?

Tell the student's parents that they are transgender .....	36%
Not tell the student's parents that they are transgender .....	35%
Not sure .....	29%

16. How important do you think it is for public schools to have trained counselors available to provide support for transgender students?

Very important .....	49%
Somewhat important .....	21%
Not very important .....	9%
Not at all important .....	9%
Not sure .....	12%

17. Compared to other issues, do you think that lawmakers in your state are focusing too much or too little on issues relating to gender identity in schools?

Focusing too much .....	31%
Focusing about the right amount .....	23%
Focusing too little .....	19%
Not sure .....	26%

18. Do you think it should be legal or illegal for parents to send their children who identify as transgender to "conversion therapy" that attempts to change their gender identity or expression to align with societal norms and expectations of their assigned sex at birth?

Should be legal .....	27%
Should be illegal .....	45%
Not sure .....	28%

19. What proportion of children who come out as transgender do you think still identify as transgender as adults?

All of them .....	6%
Most of them .....	25%
About half of them .....	16%
A few of them .....	23%
None of them .....	2%
Not sure .....	27%

20. How well do you feel you understand the types of medical treatments available to transgender children and teenagers?

Extremely well .....	6%
Very well .....	11%
Moderately well .....	28%
Not too well .....	30%
Not well at all .....	26%

21. A student in elementary school confides in their teacher that they are transgender, and asks to be referred to by pronouns that reflect the gender they identify with. The student tells the teacher that they don't feel safe coming out to their parents, and asks the teacher to refrain from sharing this information with them. Do you think the teacher should...?

*Asked of a randomly selected half of respondents*

Address the student by their preferred pronouns, even without their parent's permission ..	31%
Address the student by their preferred pronouns, but only with their parent's permission ..	24%
Not address the student by their preferred pronouns .....	23%
Not sure .....	22%

22. A student in high school confides in their teacher that they are transgender, and asks to be referred to by pronouns that reflect the gender they identify with. The student tells the teacher that they don't feel safe coming out to their parents, and asks the teacher to refrain from sharing this information with them. Do you think the teacher should...?

*Asked of a randomly selected half of respondents*

Address the student by their preferred pronouns, even without their parent's permission ..	30%
Address the student by their preferred pronouns, but only with their parent's permission ..	20%
Not address the student by their preferred pronouns .....	28%
Not sure .....	23%

23. A student in elementary school confides in their teacher that they are transgender, and asks to be referred to by pronouns that reflect the gender they identify with. The student tells the teacher that they don't feel safe coming out to their parents, and asks the teacher to refrain from sharing this information with them. Do you think the teacher should... ?

*Asked of a randomly selected half of respondents*

Tell the student's parents that they are transgender .....	36%
Not tell the student's parents that they are transgender .....	38%
Not sure .....	26%

24. A student in high school confides in their teacher that they are transgender, and asks to be referred to by pronouns that reflect the gender they identify with. The student tells the teacher that they don't feel safe coming out to their parents, and asks the teacher to refrain from sharing this information with them. Do you think the teacher should... ?

*Asked of a randomly selected half of respondents*

Tell the student's parents that they are transgender .....	36%
Not tell the student's parents that they are transgender .....	39%
Not sure .....	25%

<b>Interviewing Dates</b>	January 23 - 26, 2023
<b>Target population</b>	U.S. citizens, aged 18 and over.
<b>Sampling method</b>	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2019 American Community Survey.
<b>Weighting</b>	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to March 15, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 28% Republican). The weights range from 0.314 to 6.033, with a mean of 1 and a standard deviation of 0.417.
<b>Number of respondents</b>	1000
<b>Margin of error</b>	± 3.4% (adjusted for weighting)
<b>Survey mode</b>	Web-based interviews
<b>Questions not reported</b>	51 questions not reported.

## 21. Should Teachers Use Preferred Pronouns - Elementary School Student

A student in elementary school confides in their teacher that they are transgender, and asks to be referred to by pronouns that reflect the gender they identify with. The student tells the teacher that they don't feel safe coming out to their parents, and asks the teacher to refrain from sharing this information with them. Do you think the teacher should...?

*Asked of a randomly selected half of respondents*

	Total	Gender		Age (4 category)				Race (4 category)

# YouGov Survey: Transgender Children and Schools

January 23 - 26, 2023 - 1000 U.S. adult citizens

<b>Interviewing Dates</b>	January 23 - 26, 2023
<b>Target population</b>	U.S. citizens, aged 18 and over.
<b>Sampling method</b>	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2019 American Community Survey.
<b>Weighting</b>	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to March 15, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 28% Republican). The weights range from 0.314 to 6.033, with a mean of 1 and a standard deviation of 0.417.
<b>Number of respondents</b>	1000
<b>Margin of error</b>	± 3.4% (adjusted for weighting)
<b>Survey mode</b>	Web-based interviews
<b>Questions not reported</b>	51 questions not reported.
