The Economist/YouGov Poll

January 4-6, 2014

1. Interest in news and public affairs

Some people seem to follow what's going on in government and public affairs most of the time, whether there's an election going on or not. Others aren't that interested. Would you say you follow what's going on in government and public affairs...?

	Total	Age				Race			Gender		Education

The Economist/YouGov Poll

January 4-6, 2014

18. Know for sure status of ACA

When will we know for sure whether the health care reform law is a success or failure? (A) We will never really know; (B) We will know after the law has been in effect for several years; (C) We will know after the law has been in effect for one year; (D) We will know in a few months when we find out how many people have enrolled; (E) We know now even before the law has been put into effect

42. Legal abortions

When do you think abortion should be legal? (A) Abortion should always be legal. There should be no restrictions on abortion.; (B) Abortion should be legal, but with some restrictions (such as for minors or late-term abortions).; (C) Abortion should only be legal in special circumstances, such as when the life of the mother is in danger.; (D) Abortion should be illegal. It should never be allowed.

The Economist/YouGov Poll

January 4-6, 2014

Sponsorship	<i>The Economist</i>
Fieldwork	YouGov
Interviewing Dates	January 4-6, 2014
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by age, gender, race, education, and region) was selected from the 2010 American Community Study. Voter registration was imputed from the November 2010 Current Population Survey Registration and Voting Supplement. Religion, political interest, minor party identification, and non-placement on an ideology scale, were imputed from the 2008 Pew Religion in American Life Survey.
Weighting	The sample was weighted using propensity scores based on age, gender, race, education, news interest, voter registration, and non-placement on an ideology scale. The weights range from 0.2 to 4, with a mean of one and a standard deviation of 0.76.
Number of respondents	1000
Margin of error	± 3.9% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	21 questions not reported.
