9. One China | Current Policy

Both the People's Republic of China on the mainland and the Republic of China on Taiwan claim to be the legitimate government of all China. What do you think the focus of U.S. policy should be on the China/Taiwan issue?

		Gender		White Men		White Women		Race

We should keep a low profile and let the Chinese deal with the problem themselves.	22%	18%	26%	21%	11%	28%	20%	25%	25%
