10. Know for sure status of ACA

When will we know for sure whether the health care reform law is a success or failure? (A) We will never really know; (B) We will know after the law has been in effect for several years; (C) We will know after the law has been in effect for one year; (D) We will know in a few months when we find out how many people have enrolled; (E) We know now even before the law has been put into effect

	Total	Age				Race			Gender		Education

The Economist/YouGov Poll

November 9-11, 2013

Sponsorship	<i>The Economist</i>
Fieldwork	YouGov
Interviewing Dates	November 9-11, 2013
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by age, gender, race, education, and region) was selected from the 2010 American Community Study. Voter registration was imputed from the November 2010 Current Population Survey Registration and Voting Supplement. Religion, political interest, minor party identification, and non-placement on an ideology scale, were imputed from the 2008 Pew Religion in American Life Survey.
Weighting	The sample was weighted using propensity scores based on age, gender, race, education, news interest, voter registration, and non-placement on an ideology scale. The weights range from 0.3 to 7.2, with a mean of one and a standard deviation of 1.16.
Number of respondents	1000
Margin of error	± 4.8% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	21 questions not reported.
