## 1. Interest in news and public affairs

Some people seem to follow what's going on in government and public affairs most of the time, whether there's an election going on or not. Others aren't that interested. Would you say you follow what's going on in government and public affairs...?

|                          | Total           | Age           |               |               |               | Race          |               |              | Gender        |               | Education     |               |                  |

# The Economist/YouGov Poll

September 7-9, 2013

## 4. National Financial Prospective (5 Years)

Looking ahead, which would you say is more likely, that in the country as a whole we'll have continuous good times during THE NEXT FIVE YEARS or so, or that we will have periods of widespread unemployment or depression, or what?

## 11. Costs of war on terrorism

Since September 11, 2001, the United States has fought against the threat of terrorism through military operations abroad and increased security and surveillance inside of the United States. Do you think these actions have been worth the cost?

## 14. Appropriateness of surveillance measures

Since the September 11, 2001 terrorist attacks, there is more security and surveillance in public places, especially at airports and large public events. Some people say that these measures go too far and restrict our basic civil liberties. Are these increased public security and surveillance measures...

**15. Approval of NSA collection program**

The National Security Agency has been collecting information about telephone records &mdash; length of calls and the numbers called &mdash; in order to reduce the threat of terrorism. Do you approve or disapprove of their doing this?

## 16. Bush terrorism policies

Do you think the policies of the George W. Bush Administration made the United States more or less safe from terrorism?

|                          | Total         | Age           |               |               |               | Race          |               |              | Gender        |               | Education     |               |                  |

**20. Assistance for Syrian rebels**

Should the U.S. engage in military action to punish the Syrian government for using chemical weapons or should it stay out of the conflict?

**31. Support for requiring Congressional approval for Presidential use of force**

When considering the President's authority to use military force, which statement do you agree with most? (A) The President must always get Congressional approval prior to the use of force; (B) The President should get Congressional approval when possible, but should not be required to get approval in emergencies; (C) The President, as Commander in Chief, needs broad authority with regard to foreign policy, and therefore should not need approval from Congress; (D) Not sure

# The Economist/YouGov Poll

September 7-9, 2013

|                               |   |
|-------------------------------|---|
| <b>Sponsorship</b>            | <i>The Economist</i>  |
| <b>Fieldwork</b>              | YouGov  |
| <b>Interviewing Dates</b>     | September 7-9, 2013   |
| <b>Target population</b>      | U.S. citizens, aged 18 and over.  |
| <b>Sampling method</b>        | Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by age, gender, race, education, and region) was selected from the 2010 American Community Study. Voter registration was imputed from the November 2010 Current Population Survey Registration and Voting Supplement. Religion, political interest, minor party identification, and non-placement on an ideology scale, were imputed from the 2008 Pew Religion in American Life Survey. |
| <b>Weighting</b>              | The sample was weighted using propensity scores based on age, gender, race, education, news interest, voter registration, and non-placement on an ideology scale. The weights range from 0.1 to 7.2, with a mean of one and a standard deviation of 1.11.   |
| <b>Number of respondents</b>  | 1000  |
| <b>Margin of error</b>        | ± 4.6% (adjusted for weighting)   |
| <b>Survey mode</b>            | Web-based interviews  |
| <b>Questions not reported</b> | 21 questions not reported.  |
