20 weeks	8%
More than 20 weeks	9%
Not sure	13%

9. Compared to the worldwide average, do you think the U.S. offers more or fewer weeks of paid leave for parents after giving birth?

Many more	8%
Somewhat more	11%
About the same	15%
Somewhat fewer	22%
Many fewer	28%
Not sure	16%

10. Compared to the worldwide average, do you think that it costs more or less for parents to send an infant to a child care center in the U.S.?

Much more	34%
Somewhat more	31%
About the same	13%
Somewhat less	6%
Much less	2%
Not sure	15%

11. Compared to the worldwide average, do you think that tuition for attending a public college is more or less in the U.S.?

Much more	35%
Somewhat more	25%
About the same	13%
Somewhat less	8%
Much less	3%
Not sure	16%

12. Do you think all Americans should have access to options for the following that are funded by the government?

	Yes, entirely funded by the govern- ment	Yes, partially funded by the govern- ment	No	Not sure
Day care for children from birth to 2 years old	29%	39%	21%	11%
Preschool for children from 3 to 5 years old	40%	34%	16%	10%
Kindergarten	50%	26%	15%	9%
Elementary school	50%	27%	14%	9%
Middle school	48%	28%	15%	9%
High school	49%	26%	14%	11%
After-school care for K-12 students	31%	39%	19%	11%
Community college	35%	36%	20%	10%
Four-year college	26%	39%	24%	10%

13. Which party do you think does a better job helping families with children in the U.S.?

Democrats	37%
Republicans	26%
Both equally	14%
Not sure	24%

Daily Survey: Family Policy

Interviewing Dates	February 6 - 10, 2023
Target population	U.S. Citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2019 American Community Survey.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to March 15, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 28% Republican). The weights range from 0.356 to 4.496, with a mean of one and a standard deviation of 0.455.
Number of respondents	1000
Margin of error	± 3.4% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	50 questions not reported.

Daily Survey: Family Policy

February 6 - 10, 2023 - 1000 US Adult Citizens

Interviewing Dates	February 6 - 10, 2023
Target population	U.S. Citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2019 American Community Survey.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to March 15, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 28% Republican). The weights range from 0.356 to 4.496, with a mean of one and a standard deviation of 0.455.
Number of respondents	1000
Margin of error	± 3.4% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	50 questions not reported.
