

**1. Agreement with Obama statement**

Do you agree or disagree with the following statement: *In America, no one who works full-time should ever have to raise a family in poverty.*

|                          | Gender          |               |               | Age           |               |               |               | Party ID      |               |               |

**3. Hurt workers or help them**

Some people say raising the minimum wage will help workers by giving them more income. Others say it will hurt workers because businesses will hire fewer people. What do you think?

|                          | Gender        |               |               | Age           |               |               |               | Party ID      |               |               |
