12. Agree with proponents

Those in favor of right-to-work or open shop laws say that no American should be required to join any private organization, like a labor union, against his will. Do you agree or disagree with this?

13. Vote for laws

Some states have passed right-to-work or open shop laws that say each worker has the right to hold his job in a company, no matter whether he joins a labor union, or not. If you were asked to vote on such a law, would you vote for it, or against it?
