It is a good thing that countries in Europe have decided to come together into one entity, and they are stronger for it	21%	21%	21%	32%	19%	17%	20%	27%	22%	12%
It is a good idea, but doesn't seem to be working well and may not hold together	29%	34%	24%	25%	25%	32%	33%	28%	26%	34%
It is a bad idea, because the different member states are too different to be part of the same union	16%	22%	11%	8%	15%	21%	19%	6%	19%	29%
