## 1. Trump Comment Heard about Commen

While at a recent rally, Donald Trump said the following: "Hillary wants to abolish, essentially abolish, the Second Amendment. If she gets to pick her [Supreme
Court justices], nothing you can do, folks. Although the Second Amendment people - maybe there is, I don't know."
How much have you heard about this story?

|  | Total | Gender |  | Age (4 category) |  |  |  | Race (4 category) |  |  |  |

## 2. Trump Comment | Meaning

Some have said Donald Trump was suggesting gun owners take violent action against Hillary Clinton. Others have said he was making a joke. The Trump campaign has argued Trump was merely suggesting gun rights supporters could oppose Clinton's agenda through voting. What do you think he meant?

|  | Total | Gender |  | Age (4 category) |  |  |  | Race (4 category) |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |

| YOUGOV <br> August $11-12,2016$ |  |
| :--- | :--- |
| Interviewing Dates | August $11-12,2016$ |
| Target population | U.S. citizens, aged 18 and over. |
| Sampling method | Respondents were selected from YouGov's opt-in Internet panel using sample <br> matching. A random sample (stratified by gender, age, race, education, voter <br> registration, political ideology, party identification, geographic region, and <br> voter registration) was selected from the 2014 American Community Study. <br> Voter registration and party identification were imputed from the November <br> 2014 Current Population Survey Registration and Voting Supplement. |
| Weighting | The sample was weighted using propensity scores based on gender, age, <br> race, education, political ideology, geographic region and voter registration. <br> The weights range from 0.106 to 6.341, with a mean of one and a standard <br> deviation of 1.209. |
| Number of respondents | 1000 <br> Margin of error |
| Survey mode | Web-based interviews |
| Questions not reported | 20 questions not reported. |
