Like a little	27%
Dislike a little	17%
Dislike a lot	11%
Not sure	29%

6. Chicago White Sox player Adam LaRoche recently resigned from the team, allegedly because the team's management wanted to limit the number of times his son could come into the clubhouse. Last season his son had accompanied his father to the clubhouse most days. Who do you think is more right, Adam LaRoche or the management of the Chicago White Sox?

Adam LaRoche	32%
White Sox management	39%
Not sure	29%

7. Have you ever taken one of your children to work with you?

Asked of anyone who has ever had a child

Yes	39%
No	60%
Not sure	1%

Interviewing Dates	March 18 - 21, 2016
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, voter registration, political ideology, party identification, geographic region, and voter registration) was selected from the 2014 American Community Study. Voter registration and party identification were imputed from the November 2014 Current Population Survey Registration and Voting Supplement.
Weighting	The sample was weighted using propensity scores based on gender, age, race, education, political ideology, geographic region and voter registration. The weights range from 0.043 to 6.834, with a mean of one and a standard deviation of 0.839.
Number of respondents	1000
Margin of error	± 4.1% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	20 questions not reported.
